

Bird Watching

8 h Faial - Day Tour

90 €

Info & booking at: booking@patio.pt

Faial Island - One of the best sites in Europe for Bird Watching.

Up to 400 species from both sides of the Atlantic Ocean.

The central position in the North Atlantic Ocean, allows observing resident and regular wintering species. Watch several nesting seabirds and approximately 30 breeding species. Driven by weather from both sides of the Atlantic more than 400 species are recorded. The tour will stop at coastal and forested habitats including Important Bird Areas (IBAs).
